**Financial Report:** around \$7,000 in the bank. The last recognized show was full and broke even. We need to decide if that is acceptable or do we need to increase prices to make a profit on those shows. The Lite shows are profitable.

**Membership:** 143 members

**Communication:** Website traffic is staying at a steady pace. FB posts are doing great. The posts about Payton and National Pony Cup are trending.

**Education:** Beth and Robin are working on A test preparation document to give out to participants including timing and warmup protocol.

**Show report:** Next Schooling show is full. 2025 Recognized shows are set and have all judges.

**Old Business:** New board members: Try to add someone from the Western dressage group. Chris talking to several about next year.

**New business:** Freestyle Festival: Silent Auction and award. Nora will work on baskets for the Freestyle Festival. Belt buckles on cups were great for Western Lite shows.
